Dear Valued ONE Customer,

Please be informed M/v Wes Janine WSJT0005N will omit London Gateway Port on her northbound service, due to bad weather reported on the BAY OF BISCAY, forcing the vessel to seek shelter. This measure is necessary, in order to maintain the remaining calling Port under schedule. We do apologize for any inconvenience this may cause.

For additional information concerning sailing and arrival dates, we kindly ask you to direct your queries to your loyal ONE local sales representative.

Kind Regards,

Ocean Network Express Pte. Ltd.
