OCEAN NETWORK EXPRESS

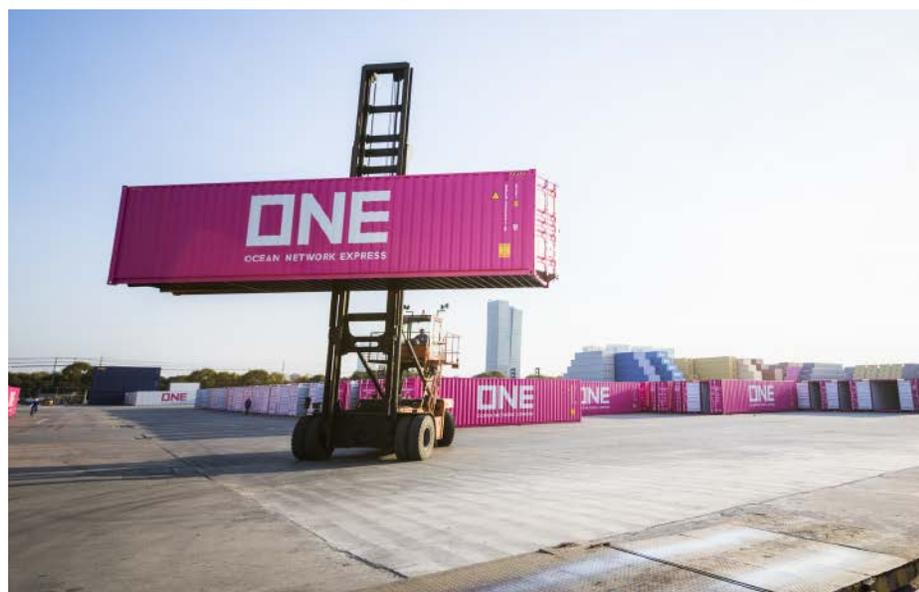

NEWS LETTER

December 20, 2017

New Containers Coming

Preparations for the service that will start in April 2018 are on the right track !

ONE is proud to have placed an order for new-building containers (10,000 x Hi-cube DRY containers). They are just coming off an assembly line at Shanghai, Ningbo, and South China. The design will feature ONE's company logo, and comes together with the bright company colors (both magenta and grey). We look forward to the day when the containers are delivered to your hands!

New Brand Website Launched

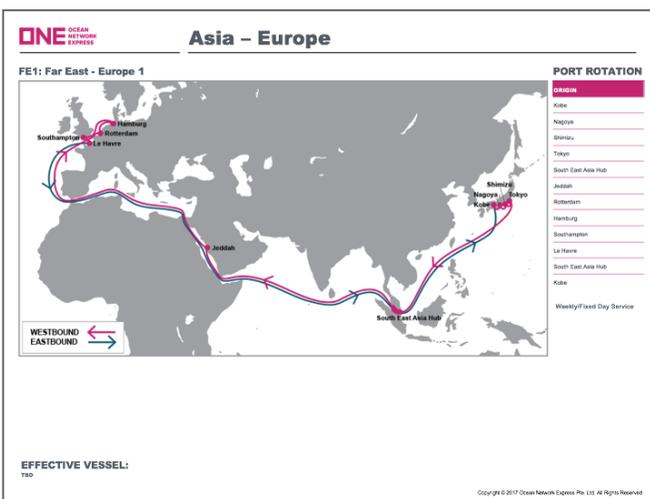

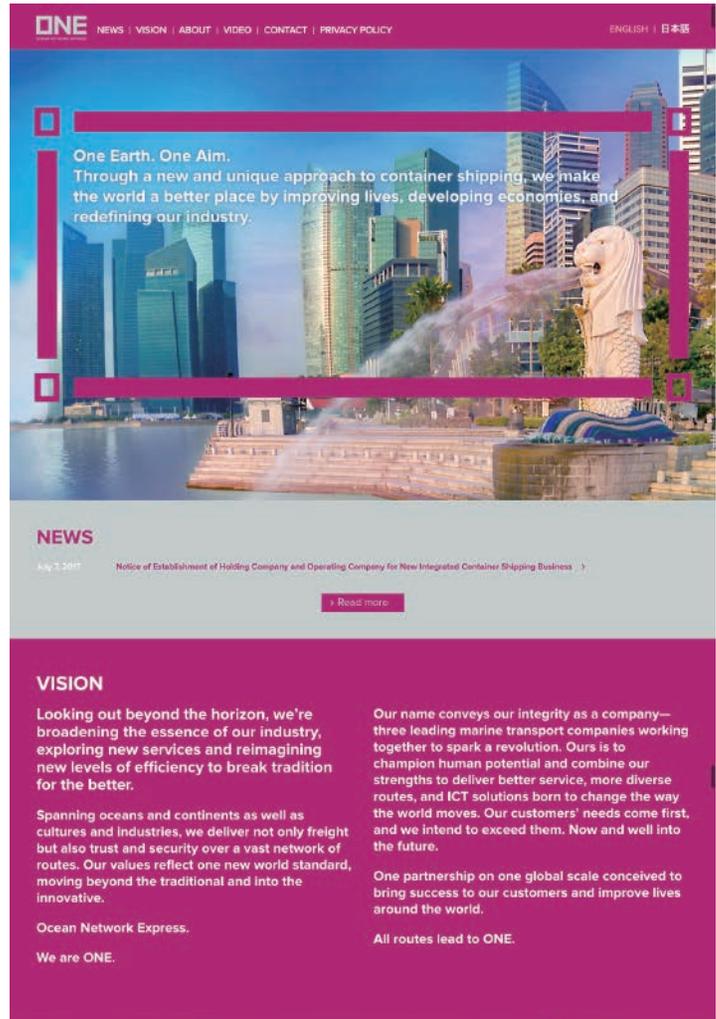

<https://www.one-line.com/>

ONE has launched our newly-redesigned website, www.one-line.com.

We have redesigned it with you in mind, streamlining the menus and layout and providing contact lists for sales inquiries.

We encourage all of you to visit and explore the site. We will launch an updated version with enriched contents toward the end of December this year.

Please stay connected.

ONE Service Maps Now Available Online! (THE Alliance service)

ONE provides stable and reliable containership services covering over 100 countries, innovating in response to changes in the trade environment, supporting our customer's supply chain and strengthening their international competitiveness.
