Remarks:
1. The total price for ocean transport consists of various components of which the Basic Ocean Rate is one of the components. In order to find out the price applicable for an ocean transport the Basic Ocean Rate needs to be completed with:
   - Bunker related surcharges which are ONE Border Surcharge (OB) and Low Sulphur Surcharge (LC).
   - Security related charges (if applicable).
   - Terminal Handling Charges (THC).
   - Surcharges reflecting foreseeably high tariffs such as Peak Season Surcharge (PSS).
   In addition to the charges and surcharges mentioned above other ocean, local and contingency charges may apply.
   For further guidance on our Local Charges and surcharges please check our website which you can find via following hyperlinks

2. Basic Ocean Rate levels shown are valid for transports effected on basis CY/CY.

3. Basic Ocean Rate levels shown for dry cargo are valid for Freight All Kind (FAK) cargo which covers all commodities except for hazardous cargo, odorous cargo (i.e. fishmeal), noxious cargo (i.e. carbon black), ad valorem cargo, high value cargo (i.e. silver bars, art, bank notes and bank note paper, coins and other forms of currency, alcoholic beverages, tobacco and tobacco products such as cigarettes and cigar, pharmaceutical and medical material, military and police cargo, cargo requiring special equipment such as flatracks, open tops, platforms, tankcontainers and other equipment types which are not considered standard dry equipment, cargo requiring ‘foodstuff standard’ dry equipment, cargo moving in insulated containers (full and empty), live animals and plants, street fruits and nuts, coke and charcoal bricks, metal scrap, waste and cargo classified as waste. For other commodities please contact your local ONE sales office.

     Contact details be found on: www.oneline.com

   5. Basic Ocean Rate levels for Reefer cargo are only valid for foodstuffs (FAK) between -5°C and -25°C.
   For other commodities or foodstuffs shipped at different temperature ranges please contact your local ONE office.
   Contact details be found on: www.oneline.com

6. Basic Ocean Rate levels for Outport additionals apply to the specific zone. If both the origin and the destination ports are Outports both additonal rates have to be added.

   Outport additionals related to the specific zone are to be added to the 'Basic Ocean Rate' applicable for that zone. In case one origin port and the destination ports are Outports both additional rates have to be added.
