Remarks:
1. The total price for ocean transport consists of various components of which the Basic Ocean Rate is one of the components. In order to find out the price applicable for an ocean transport the Basic Ocean Rate needs to be completed with:
   - Bunker related surcharges which are ONE bunker surcharge (OBS) and one bunker surcharge (OBS).
   - Security related charges (if applicable).
   - Terminal Handling Charges (THC).
   - Surcharges reflecting foreseeable high demand such as peak season surcharges (PSS).
   - In addition to the charges and surcharges mentioned above other local and national charges may apply.
   - For further guidance on how to calculate the price applicable for an ocean transport please visit our website where you can find out below hyperlinks:
     - Local Charges: [Standard Page - Local Charges]
