ONE Volunteers with Feed My Starving Children to Reduce Food Insecurity

On June 11, 2022, ONE Chicago had 52 volunteers in attendance to support a food packing event held at the Feed My Starving Children (FMSC) facility located in Aurora, IL.

FMSC is a 4 star charity dedicated to relief and development services, specifically for children around the world. Prior to packaging the food, participants learnt that FMSC believes in the power of Hope. Hope starts with food provisions and they work with food distribution partners who stay with the communities receiving the donations for the long haul. This empowers the communities to move from relief to development. The approach is simple. Donations are given to fund the meal ingredients developed by food science and nutrition professionals. Volunteers hand pack the meals which are then donated and shipped to FMSC food partners around the world to feed underprivileged children.
